Dear my foster parents,
How are you? I'm very fine with my family
now I want to tell you about an issue of all
Ethiopian citizen, which is the national foot ball team
of Ethiopia for the last two years the team had been
working hard and they have been successful, last year
was the most successful year for them and also for us
because after 31 years our national team participated
in African Cup of nation, and now it is one of the top
ten African teams to qualify for world cup which
will be held at Brazil. The only match left for
our national team to join the world cup is the game
with Nigeria and if we are able to beat them,
our country will participate in the world cup
for the first time in its history.

I wish you all the best, in the coming
new year and on many Christmas.
